Dancing Your Fats Away

Dance may have been created for enjoyment, aesthetic expression, and socialization; but these days, it is considered one of the most effective ways of exercising for fat loss.

Drop Fat The Low Carb Way

Weight gain and obesity have become causes of health concerns in the western world. Obesity in particular is one of the leading causes of preventable death in the world today.

Eat Right To Feel Great

Most of us consider ourselves 'healthy' individuals. We may, however, just be blissfully unaware of the grim reality!

Eat Yourself Thin

If you're overweight, you are not a bad person. You're simply overweight. But it's important to lose the extra pounds so you'll look good, feel healthier and develop a sense of pride and self-esteem. Once you've lost the fat, you'll need to maintain your weight.

Empowered Fitness Bible

When it comes to fitness, you don't need to be a runner or aspire to be an athlete to start improving your overall fitness condition.

Exercise Tips For The Elderly

Generally, fit individuals as old as 90 can decrease their tendency to fall by up to fifty percent through physical activity and balance training.

Exercise without effort

It is a fact of modern life that most people do not exercise enough. This, allied to a diet which is heavy on sugar and fat laden fast foods, has led to a tidal wave of overweight and obese people in most Western countries, a tidal wave that is becoming increasingly difficult to turn back.

Fad diet Fiascos

Many people have already experienced the amazing results of a fad diet. However, there is a tendency for them to put their weight back on sooner or later because quick weight loss is something that is not healthy for the human body.
